

Braddan Parish Commissioners Election

Thursday 22nd April 2004

PLEASE VOTE FOR

PETER HALSALL

Dear Elector,

Since being elected in September 1997, I believe that I have contributed in a positive way to addressing the many issues that have faced the people of Braddan.

Please allow me to re-introduce myself. I was born 57 years ago in the Isle of Man and have been continuously employed on the Island since leaving school.

The last of those 20 years at Nobles Hospital, from where my wife Dorothy has recently retired. We have lived in Braddan for 18 years and being free of family commitments, I am able to continue to give the many hours of hard work required.

I have no further Political ambitions other than to serve on the Board of Braddan Commissioners.

The past 6¹/₂ years have been the busiest that the Commissioners have had to contend with. During this time, I have served the Board as Chairman 1999/2000 and 2003/2004, three terms as Vice Chairman and representing the Board on the Richmond Hill Consultative Committee, the Municipal Association which I was Chairman of, and the Joint Eastern District Civic Amenity Committee.

For a recent update of progress made by the Commissioners, please read the Report that I have issued on behalf of the Board that has been circulated recently with the Rate Demands.

P.T.O.

Braddan Parish Commissioners Election

Further copies can be obtained from the Commissioners office or the Website
www.braddan.gov.im

If successful in the coming Election, I shall endeavour to work with the new Board and the Commissioners staff to continue to improve the Parish and its way of life, by supporting the New Community Warden in the fight against anti-social behaviour, speeding traffic, illegal parking and fly tipping.

I believe that the Inspectors Report on the Braddan Plan given to the Department of Local Government and the Environment which suggests that Camlork could be built on, should be challenged on that front.

The reason being that I believe it is almost 100% against the views of the Braddan residents and the vast majority of Island residents.

Finally, if elected, I will serve the Parish by continuing to support the Commissioners staff in their efficient collection of rents and rates and work with the Commissioners in the control of the finances of the Parish.

The improvements to the services provided can be achieved along with our intention to reduce the rates in future years.
