

Braddan Parish Commissioners Election  
Thursday 26<sup>th</sup> April 2012

PLEASE VOTE FOR  
**PETER HALSALL**

Dear Elector

Since being elected in September 1997, I believe that I have contributed in a positive way to addressing the many issues that have faced the people of Braddan.

Please allow me to re-introduce myself. I was born 65 years ago in the Isle of Man, and have been continuously employed on the Island since leaving school.

p.t.o.

The last of those 28 years at Nobles Hospital, from where my wife Dorothy has retired.

We have lived in Braddan for 26 years and being free of family commitments, I am able to continue to give the many hours of hard work required.

I have no further political ambitions other than to serve on the Board of Braddan Commissioners.

The past 14 ½ years have been the busiest that the Commissioners have had to contend with.

During this time, I have served 3 terms as Chairman 3 terms as Vice Chairman and represented the Board on the Richmond Hill Consultative Committee, Joint Eastern District Civic Amenity Committee and The Municipal Association which I have been Chairman and President of.

If successful in the coming election, I shall endeavour to work with the new Board to continue to improve the Parish and its way of life, by supporting the Staff in the fight against anti-social behaviour, speeding traffic, illegal parking, litter and fly tipping.

Finally, I will not hesitate to support the Board in doing whatever is required to improve the Parish. We now have a new Clerk and have reviewed all our policies and procedures I will listen to any constructive criticism and if elected, will always put Braddan and its people at the forefront of my policies.

Please use your vote. I can be contacted on 851967 or [phalsall@braddan.gov.im](mailto:phalsall@braddan.gov.im)
