

Local Authority General Election
Thursday 26 April 2012

RAY
CORKHILL
Braddan Parish
Commissioners

I am the licensee of the Railway Inn, Union Mills in partnership with Celia Morgan, whose family have owned and operated the public house since 1900. We renovated it in 1997 and have resided between there and Glenhill, Ashlar Drive.

I was first elected in a bye-election in September 2000 and have been re-elected three times since then, serving as Vice Chairman on several occasions.

I have represented the Ratepayers/Electorate on various matters, including the Richmond Hill Committee, Municipal Association and have been pleased to assist parishioners on various matters, including planning problems and housing matters.

Although the last few years have been very trying and difficult, I believe the Board has come through it stronger and are even more committed to serving the best interests of the parishioners.

The unfortunate dismissal of the former Clerk in 2007 was unavoidable, on the grounds of serious misconduct, however, because the matter is still ongoing by way of protracted litigation and is sub judice, we are unable to discuss or disclose the details.

On a more positive note, our replacement Clerk, supported by an excellent team of staff has provided a very much improved back-up and service. There is now a very positive and efficient buzz in the office.

Unfortunately, because of surgery to replace both knees and recent surgery I will not be able to canvass door to door, but I am always available to discuss any of your concerns -

**please ring me on 851062
or email on
rcorkhill@braddan.gov.im**

and I would be pleased to call and see you.

**POLLING 8am to 8pm on
THURSDAY 26 APRIL 2012**

If you require transport or assistance on Election Day please contact me.

Despite our current financial problems, we have progressed some essential Capital Schemes:

- Refurbishment and improvement of Jubilee Terrace houses.
- Full rectification of the deficiencies at Cronkbourne, in partnership with the DoLGE, which is ongoing.
- Plans for the development of the Strang Corner Field with the Community Medical Centre with additional community facilities.
- Development of community car parks at Union Mills and Port Soderick and safer pedestrian protection throughout.
- Development of facilities for the youth (playground) Ballanawin, Cronk Grianagh Park.

I believe that the Braddan Commissioners remain in a position to restore themselves as one of the leading Local Authorities under the control of the team of five retiring members, who have all put themselves forward for re-election.

I would ask you to read our recently circulated Braddan Business Plan.

**PLEASE USE ALL OF YOUR FIVE VOTES -
INCLUDING ONE VOTE FOR ME**
