ABOUT ME

AND ABOUT WORKING FOR YOU

I am 44 years old and live in Port Erin with my wife Kate and our two children, Lizzie (17yrs) and Robert (7yrs). My background has been in policing and I served as an officer for many years in the South. This allowed me to foster good relationships with local people and gain an excellent understanding of social and community matters.

I support a number of local societies and clubs, I always take an active role. Since leaving the Constabulary, I have co-founded a business as a golf tour operator. This has given me experience in commerce, learning the importance of planning ahead and the careful management of finances.

I feel I have the necessary skills to be an effective Commissioner and if elected to the Board, I will give you 100% commitment to make our village prosper.

If I missed you today and you need to discuss any election issues please contact me anytime on:
